

ONE THOUSAND TURNED AWAY!

Notre Dame had to turn down one thousand students this year because of lack of classroom space!

The fund of \$250,000 which South Bend is subscribing will provide the needed buildings so Notre Dame can keep right on growing.

For eighty years Notre Dame has gone forward, step for step, with South Bend.

Notre Dame must go forward now just as South Bend itself stands on the brink of its most wonderful period of growth.

South Bend has never allowed any need to go unfilled. South Bend is going to stand by Notre Dame now. Your help will put Notre Dame one step nearer the goal. Your subscription is needed!
